VAT not applicable

Dimensions (m)	21.50 x 4.30 x 1.00	Ref. no.	230404
Mooring	Near Rotterdam, Netherlands	Year	1916
		Material	steel

Vision Doeve Brokers

Former inland cargo vessel that has been completely refurbished for comfortable living on board and for sailing. The Dutch Barge is located in a historic harbor in Rotterdam. This official residential mooring can possibly be taken over by a new owner. The interior is very neat and equipped with a number of special details. In the deckhouse is the spacious bathroom with further forward the open kitchen and lounge with fixed seating and traditional coal stove. In front of that is the owner's cabin with on port side of the hallway a bunk bed. The cabin in the front is now in use as an office, but can also be equipped with a bed. The mooring berth is located in a beautiful authentic part of Rotterdam with all necessary facilities and public transport within walking distance. In our view, this is an excellent opportunity to obtain a free berth on the water. This houseboat has a private entrance through a jetty.

General information

Yard:	Shipyards NL-Martenshoek
Hull shape:	flatbottom
Hull material:	steel
Deck material:	steel
Superstructure material:	steel
Construction method:	sandwich steel hatches covers over hold riveted new steel is welded rubbing strake around bulwark around deckhouse closed bollard cabinets 1 watertight bulkhead(s)
Steering system:	mechanical wheel attached rudder
Windows:	double glazing hardwooden door portholes
Displacement (approx.):	70 m ³
Ballast (approx.):	steel blocks
Airdraft (approx.):	18,50 m staande mast 3,50 m lowered mast(s)
Owner:	Dutch owner
Registration:	Dutch registered B-registered Costs for the change of ownership and / eventually deletion are for purchasers amount.
Colour / Paint System:	black hull brown bulwark brown superstructure very well maintained last underwater treatment 03-2023
Certificates:	inland waterways certificated (TRIWW / ES-TRIN) zone 2 Netherlands zone 3 zone 4 Waal, Lek & NL Rhine valid until: 04-2030
Suitable for / as:	suitable as a year round live- aboard inland waterways recreational vessel
Additional information:	straight hull classic lines Specified beam excludes the leeboards. Hull shape is suitable for drying out. Great vessel for cruising on the European canals and rivers.

Great vessel for cruising on the French canals and rivers.

Technical information

Enginepower:	105 Hp 77 kW
Engine brand:	DAF
Revolutions:	2400 RPM
Engine model:	DD575
Number of cylinders:	6
Construction year engine:	1969
Running hours (approx.):	unknown
Fuel:	diesel 6 ltr/hrs consumption of the engine at cruising speed (as declared)
Fuel tank (approx.):	400 litre 1 steel tank(s)
Cooling system:	closed box cooler dry exhaust
Propulsion:	3 blade propeller greased lubrication of propeller shaft
Gearbox:	hydraulic
Speed (approx.):	11 km/hour cruising speed 15 km/hour top speed
Heating:	coal stove & infrared heater
Electricity system:	12 / 24 / 230 Volt 230 Volt shore power connection Victron Phoenix Multicontrol
Batteries:	4x 230 Ah domestic batterie(s) 2x 200 Ah starter batterie(s) Victron BMV 700 battery monitor
Battery charger:	Victron Quattro combi inverter/charger 24/5000/120
Earth-leakage breaker:	present
Genny:	diesel genny 7,5 kVA 230/400 Volt 3000 RPM
Inverter:	Victron Quattro combi inverter/charger 24/5000/120
Solar panels:	2x 360 wp solar panel Victron BlueSolar MPPT charge controller 150/35
Fresh water tank (approx.):	2000 litre 2 plastic tank(s)
Water pressure system:	electric water pump
Hot water system:	geyser (gas heater)
Holding tank (approx.):	60 litre 1 plastic tank(s)
Bilge pump:	1 electric pump 1 submersible pump
Gas system:	yes, bottle(s) in bottle box on deck Gas certificate

Accommodation

Interior:	Plywood painted & solid wood oak floor(s) very well maintained see photographs
Insulation:	Rockwool & glass wool
