Vision Doeve Brokers

This is a Dutch Barge Live Aboard / Houseboat that was built with comfort in mind for living on board with also the opportunity to explore the inland waterways of Europe. Consider the French, Belgian, German and Dutch inland waterways. But further to Poland is also possible. She is a RCD/CE-C certified ship, so she can also be navigated on coastal waters. Equipped with a spacious owner's cabin with en-suite bathroom, two guest cabins with a guest bathroom, spacious salon with sufficient storage space under the floor and a wheelhouse with steering position and kitchen. It is very pleasant to stay in the wheelhouse with the good view all around and the French doors to the spacious aft deck / cockpit. This Dutch Barge is equipped with a solid engine that has been newly installed, a powerful whisper generator, solar panels, central heating, waste water purification installation and so on.
