Mooring	Near Gorinchem	Year	1938
		Material	steel

Vision Doeve Brokers

Classic motor yacht that owes her brand name to a marriage between two families who later independently of each other became a major international player in the water sports. This beautifully lined motor yacht dates from 1938. The underwater hull and the paintwork of the wood will be done in the spring of 2024. The teak deck has already been done and is in good condition. The layout from front to back is as follows: toilet room, galley, dinette, cockpit with seating and steering position, aft cabin with 2-persons sleeping place. It is a no-nonsense motor yacht that is suitable for 2 people with or without little children.
